

Be a scientist! Watch your antlion closely and write down exactly what you notice — words and numbers both.

Name: _____ Date: _____

DESCRIBE THE PIT (QUALITATIVE)

What does the pit look like? Shape, surface, color of the sand.

MEASURE THE PIT (QUANTITATIVE)

Pit width: _____ cm Pit depth: _____ cm

WHAT I OBSERVED TODAY

Write or draw what your antlion did. (Remember: don't bump the cup!)

FEEDING DAY

What did you feed your antlion, and what happened?

A QUESTION I HAVE

What do you wonder about your antlion? Could you test it?
