4. Supplier Exposure — Largest to Smallest

The supplier analysis covers 393 suppliers and reveals a highly concentrated liability structure. Equity Bank Ltd alone accounts for 37.75% of the pending bills arising from salary overdraft facilities across nearly all departments. Top 5 Suppliers Account for 49.6% of All Pending Bills. This concentration indicates that a small group of suppliers carry nearly half of the county's outstanding obligations. A comprehensive ranked list is attached.

6. Overall Assessment

The County Government of Homa Bay faces a significant and highly concentrated pending bills burden, driven by:

- Salary overdraft financing
- Road construction and maintenance
- Health sector supplies and facility upgrades
- Water and market infrastructure projects

The data underscores the need for structured arrears clearance, cash-flow reforms, and supplier management strategies to stabilize the county's financial position.
