

COUNTY GOVERNMENT OF HOMA BAY

Office of the County Executive Member for
Governance, Administration,
Communication and Devolution

**Your Excellency the Governor,
Your Excellency the Deputy Governor,
The County Commissioner,
Rt Honorable County Assembly Speaker,
Honorable CECMs,
The Honorable Majority Leader,
The Honorable MCAs,
Chief Officers,
Distinguished Guests,
Fellow Citizens and Members of the Press!**

I take this opportunity with grace, maximum humbleness and utmost honour first to thank the almighty God for his favor and for making this very important day to happen. We all appreciate and admit that without His mercy nothing good can occur.

Your Excellency, with profound humility allow me to once more say thank you, for your decision to elevate and to entrust me with responsibility in this high public office within the context of our County Government.

Even as I assume this new office, courtesy of the extended privilege and your own gratitude, Excellency, I understand that this does not mean that I am any better than the many equals within our communities but only a representative in trust for an assignment that can only allow one at a time.

I want to promise you, Your Excellency, before this multitude sampled to represent the great people of Homa Bay, that I will serve in this office with the greatest honor and dedication, always remembering that our supreme constitution demands so.

I promise to offer a helping hand to you and your honorable cabinet as you deliver the promised solutions to the problems affecting the people of Homa Bay.

I understand that the priorities of the department that I am to lead are clear: to strengthen institutional governance, deepen public participation, support enforcement of our by-laws, accelerate devolution to the grassroots, and build a communication function that keeps our residents informed and engaged. I will do my best to achieve this mission.

And finally, Your Excellency, in my public service life and that shared in private practice amounting to a good size of experience, I have learnt that sitting in a position like this, requires maximum loyalty to the appointing authority. I therefore promise to serve loyally and with dedicated fidelity to the principles espoused by Your Excellency as the vision bearer of what this administration stands for.

May God bless the Great people of Homa Bay. God bless the Great Republic of Kenya.

Asante.
