2. Demands for gold badges are to be limited to the actual quantities required for immediate issue to ratings who are entitled to take up these badges in accordance with paragraph 4 of A.F.O. 2574/51 (*Uniform—No. 1 Dress for Naval Ratings*). The need for strict compliance with this instruction is stressed in order that the limited supplies of badges at present available may be used to the best advantage in meeting the needs of the ratings concerned.
