

(U)318.—Victualling Stores—Clothing—Issuing Prices, Kit Upkeep Allowances, etc.
(N/V83A/43/70—13 Mar 70)

1. The issuing prices of clothing have been reviewed in the light of current costs and the revised prices are set out in Annexes B to G of this Instruction.
2. The rates of Kit Upkeep Allowance, Clothing Gratuities, etc have been recalculated from the revised issuing prices. They also take into account changes in the arrangements for providing personal clothing which, under the military salary concept become, except in the case of locally entered personnel (LEPs), the responsibility of the individual to provide and maintain.
3. In most cases a reduction of KUA, due to the individual's requirements to provide for personal clothing, has been overtaken by the allowance for increased cost of uniform under the revised issuing prices. This does not apply to Junior General Service ratings whose increased cost of clothing is not so great as for ratings in Class I or III uniform; nor in the case of WRNS ratings and Naval Nurses who have a higher personal clothing deduction.
4. The revised rates and amounts are set out in Annex A to this Instruction.
5. The revised prices, rates of allowances, etc are to be brought into operation on 1st April 1970, except that ships and establishments abroad receiving this Instruction after that date may bring the new issuing prices into force as convenient following the receipt of this Instruction, but not later than 1st May 1970.
6. As previously announced, it is intended that these prices and allowances should remain in force for three-year periods unless any special change or variation should require an interim review. Exceptionally however the prices and allowances will be reviewed and re-issued in 1971 to take account of the changeover to decimal currency in that year. Thereafter the cycle of triennial reviews and publication of these prices and allowances will be resumed.
7. It has also been decided that the issuing prices of cigarettes and tobacco will in future be promulgated separately since these prices have to be reviewed annually, and are in no way associated with Kit Upkeep Allowances, etc.
8. The various price lists, rates of allowances, etc are shown in the Annexes as follows:—
