SPECIAL ISSUE

STORES—CLOTHING—ISSUING PRICES,
KIT UPKEEP ALLOWANCES, ETC

II. SERVICE PERSONNEL

338/79. STORES—CLOTHING—ISSUING PRICES, KIT UPKEEP ALLOWANCES, ETC. (U)

[N/STE 822/1978 (DGST(N)83B)]

1. DCI RN 232/79 advised that changes in Kit Upkeep Allowance (KUA) and Fleet Issuing Prices (FIPs) for RN, QARNNS and WRNS ratings and for RM WOs, SNCOs, JNCOs and Marines, would in future take effect *from 1 July* annually. Accordingly the DCI notifies the allowances, prices, etc which are to be introduced from 1 July 1979.
2. KUA allows for replacement of compulsory kit items only. The calculation takes account of the expected rate of replacement at the current FIPs; *see* para 7 below for examples. The allowance also takes into account changes in uniform design, scales and frequency of wear. It is always up-dated when FIPs are changed; is paid in full from the date of entry to the date of release from the Service; and is intended to allow the average individual to maintain his kit in a satisfactory condition over the whole of his Service career. (This information with examples is also contained in Annex 12B of BR 1992 (*Divisional Handbook*)).
3. Although, for convenience to everyone, KUA is paid with salaries it is not otherwise related to rates of pay.
4. The revised rates of KUA and advancement gratuities are set out in ANNEX A to this DCI. They represent increases over last year's rates as follows:

RN ratings	Between 13 per cent and 19 per cent
RM WOs, SNCOs, JNCOs and Marines.	Between 16 per cent and 22 per cent
QARNNS ratings	Between 15 per cent and 16 per cent
WRNS ratings	Between 17 per cent and 19 per cent

These rates reflect the price changes in compulsory kit items. Exceptionally, increased rates of clothing grants for QARNNS and WRNS personnel were given in DCI RN 173/79 and these are unchanged from 1 July onwards.

5. Rates of KUA for Chinese ratings entered at Hong Kong will be promulgated separately.
6. The various price lists are shown in the ANNEXES as follows:
 - ANNEX B: Issuing prices of seamen's clothing.
 - ANNEX C: Issuing prices of Royal Marines' clothing.
 - ANNEX D: Issuing prices of naval nurses' (QARNNS) clothing.
 - ANNEX E: Issing prices of WRNS clothing.

Notes: 1. The letter O after a description indicates that the item has been declared obsolescent and will be available from Service sources only whilst stocks remain.

2. The symbol < denotes a change in price or rate of allowance.

7. FIPs are based on prices paid to contractors for supplies of uniform items. This year, there are a few price reductions, and many more items with prices unchanged. Price rises occur most noticeably on items such as shirts, trousers, uniform suits, coats and raincoats where increases in the cost of materials as well as in making-up are encountered. The following examples show how price changes affect KUA rates.

ANNEX B
