

(U)\*†930.—Uniform—Ratings—No 8 Working Jacket—Wearing of Substantive Rate Badges

(N/V3A/122/1/66—11 Aug 1967)

1. The need for substantive rate badges to be worn by ratings on No 8 Working Jackets has been reviewed. It has been decided that badges will not be worn on this garment in future.
2. Ratings who at present have badges on their jackets may, if they wish, continue to wear them until the jacket is worn out or until the 31st December 1968, whichever is the earlier. The resulting lack of uniformity is to be accepted.
3. BR 81 (*The Uniform Regulations*) will be amended.
