N.C.O.'s who qualify as Lewis Gunners and Sergeants qualifying as Machine Gunners are not to wear the respective badges.

The badge of Machine Gun Instructor will be worn in the same manner as an Instructor's Badge until the N.C. Officer fails to requalify or relinquishes the rating. N.C. Officers also qualified as Military Training Instructors will wear that badge and not the Machine Gun Instructor badge.

28. *Medals.*—To be worn on the cloth tunic (khaki drill tunic when the latter is worn as Review Order) or when walking out on Sundays or landing with Church parties. The position of the bar containing the medals will be:—

The ribbons will be sewn on in proper sequence, the senior decoration or medal commencing from the inner edge of the top row; they will not overlap, and when there is not sufficient room to wear them in one row they will be worn in two or more rows, the bottom edge of the lowest row being half an inch above the upper edge of the pocket with a quarter of an inch interval between rows. The ribbons will be sewn centrally above the button of the pocket flap but there will be a space of not less than 1 inch between the outer ribbon and the sleeve seam. When two or more rows are worn, the upper rows will be completed first. When there is a less number of ribbons in the second or subsequent rows, the shorter rows will be arranged centrally above the button of the pocket flap.
