FOREWORD - By SECOND SEA LORD

The reason the Royal Navy is able to do all that it does is because of the people who serve within it. To deliver people of the right calibre, we need an organisation that will grow, manage and deploy the right people, with the right skills and the right motivation; and get them to the right place at the right time so that they can meet the requirements of the Service. I know that in recent times it has been an immense struggle for managers and leaders across the Service to achieve this; the last few years have been an unsettling time for not only our people but also their families. Thankfully we are now almost through the substantial turbulence that the Strategic Defence and Security Review brought with it and I am therefore completely committed to ensuring that the frustrations and concerns of the past remain very much behind us. I am absolutely convinced that the way that we achieve this as an organisation is through first rate management of our people.

To manage Naval personnel successfully it is vitally important that we strive to make continuous improvement. At the same time, changes in legislation and Government policy, together with other factors outside our control, need to be reflected in our policies and processes. It is essential that everyone involved in the management of Naval personnel understands not only how to effect changes, but also what impact changes in one field may have on other areas of business. To reflect such changes, this BR will be updated regularly; any more recent approved changes will be notified by issuing Notices and Memoranda as required. Equally, it is critical that our people are able to understand their terms and conditions of service, how they are managed and what they can expect from their Naval service.

As the definitive reference for information on Naval personnel management BR 3 will provide leaders and managers across the Service with the understanding needed to effectively manage our people. This is a complex and emotive subject, as it directly impacts on our people's morale and welfare. You should make full use of this publication to make sure we deliver the very best possible outcomes for the Naval Service and for our personnel, wherever they may be serving around the globe.

Vice Admiral Sir David Steel KBE DL
Second Sea Lord and Chief of Naval Personnel and Training

PREFACE

1. This Naval Book of Reference (BR) exists in electronic form only. The complete hardcopy publication is very large. Any printed extracts may become invalid after they are printed.

2. How to use this BR

Links to associated material within the BR are widely used throughout, shown highlighted. Otherwise, references are given. Movement within the BR can be conducted through use of the links. Reference can also be made to a number of useful extracts by clicking on the relevant link in the Bookmark to the left of the text. Once finished with referring to the material via the Link or Bookmark, clicking on "Previous View" in the Navigation Toolbar will return the reader to the text previously being studied. The BR can be searched in 2 ways: by using the Search (binoculars) button in the File Toolbar to search within an open Chapter; and by looking in the Index which lists Paragraph titles throughout BR3 in alphabetical order - clicking on the selected item will take the reader to the paragraph in question. The "Search Book" button on the Home Page is disabled on copies of all BRs accessed via the Defence Intranet.

3. Aim

The aim of this publication is threefold: to define PPO Regulations and policy; to lay down doctrine on processes; and to provide guidance to all involved in this complex subject.

4. Scope

BR 3 covers the whole of the Naval Service (which is referred to as the Royal Navy in its logo and in external public relations material), including Officers, Ratings and RM Other Ranks (RMOR). Services include the Royal Navy (RN), Royal Marines (RM), Queen Alexandra's Royal Naval Nursing Service (QARNNS, which is a part of the Royal Navy), Royal Fleet Reserve (RFR), Royal Naval Reserve (RNR), Royal Marines Reserve (RMR), Family Service (FS, which is a Branch in the Royal Navy), Naval Careers Service (CS) and, for elements of recruiting and training only, Royal Fleet Auxiliary (RFA).

5. Implementation

Production of BR3 was implemented through progressive stages of completeness under a DNPS project conceived and delivered by Commander P J Hughes, LVO, Royal Navy, which completed in April 2011. Thereafter change is conducted through normal upkeep procedures.

6. Structure of BR 3.

BR 3 superseded the following; BRs 14, 60A, 63A, 81, 689, 1066, 1797, 1992, 4017, 8373, 8588 and 8748 and PLAGOs. Following these Preliminary Pages, which incorporate a [List of Abbreviations](#), a [Glossary of Terms](#) and a List of [Points of Contact](#) (all of which are also available via the Bookmark link), it includes:

- a. *Part 1 (Personnel Management Organisation and Strategy)* summarises the organisation of Naval Personnel Management, outlines how the overall process works, and shows the linkages between the individual components of the process. Details of each component are provided in the subsequent Parts.
- b. *Part 2 (Establishment Administration)* explains how the total demand for trained Naval personnel today and in the future is defined in Establishment Lists. It lays down policy and practice and gives rules, guidance and limitations on the formulation and change of Establishments.
- c. *Part 3 (Personnel Planning and Costing)* outlines how Naval personnel planning is conducted, drawing on the personnel Planning Liability that is derived from summations of Naval positions in Establishment Lists and subsequent adjustments. It also gives a brief insight to personnel costing.

- d. *Part 4 (Recruiting)* explains recruiting policy and processes.
- e. *Part 5 (Life Management)* covers policies on discipline and the administration, welfare and well-being of individual Service personnel, including the Divisional and Regimental System.
- f. *Part 6 (Uniform Regulations)* provides the necessary direction for the wearing of RN, RM, Maritime Reserves, Royal Fleet Auxiliary, Naval Retail Staff and Royal Corps of Naval Constructors Uniform Dress.
- g. *Part 7 (Career Structures)* shows how individuals' careers may be shaped and managed over the full time span of commitment to the Service, including Commissions, Careers, Engagements, associated Terms and Conditions of Service, the assignment process (including for augmentation and in response to crisis), Career & Branch Management and Security Vetting policy.
- h. *Part 8 (Promotions)* covers Officer and Ratings'/RMOR's Promotions policy and processes.
- i. *Part 9 (Individual Training, Education and Resettlement Policy)* outlines the policies under which Naval Individual Training, Education, Lifelong Learning and Resettlement is conducted. It does not cover the detail of the training delivery process.
- j. *Part 10 (Reserves)* covers Maritime Reserves policies, together with coverage that lies alongside details on Regular Service Personnel in other Parts. It also includes material on the University Royal Naval Units and Cadets.

7. Terminology

Considerable effort has been put into standardising terminology used in the Naval Service. Terms used are in accordance with those included in the tri-Service Manpower Lexicon in JSP 755. Some terms, primarily where not covered in JSP 755, are given in the Glossary. Terminology is always evolving. Examples of changes already widely (but not exhaustively) incorporated include: Liability in place of Requirement; Unit Establishment (List) in place of (Scheme of) Complement, Position in place of Billet or Post; and Assignment in place of Appointing and Drafting. Some personnel management terminology is quite specialised so, to improve readability, the use of "Plain English" has been maximised. Common abbreviations are used widely (as defined in the [List of Abbreviations](#)) and personnel groups have usually been identified explicitly; less common terms have often been given in full. Unless stated otherwise, the following assumptions should be recognised when specific terms are used:

- a. "Naval" refers to the Naval Service as a whole, but not all policy or guidance applies to the Maritime Reserves.
- b. "Ratings" also includes RMOR, except where stated;
- c. "Ships" also include Submarines and Minor War Vessels.
- d. "Units" generally refers to deployable organisations that have their own Establishment List.
- e. RN Ranks (which includes Rates) encompass RM and QARNNS equivalents. (An equivalent rank table is placed later in these Preliminary Pages).
- f. In rare cases where a gender-neutral expression is not readily available, male terminology also includes female, except where explicit within the text (such as when referring to Royal Marines GS personnel).

8. Associated information

Duplication is minimised, so links or references are provided to associated subjects and areas of activity. Furthermore, in view of the relatively frequent changes to policy and processes, it is essential that recent DINs and RNTMs are also scrutinised. The following, not connected by links, are key sources of related information:

a. **Other Regulations.** The following publications continue to provide the authoritative source of information, but some or all may in due course be superseded by incorporation into BR3:

(1) *BR 8374. Officers' Training Regulations.* Chapters 1 and 2 have been subsumed into BR3.

(2) *Maritime Reserves BRs.* BR60 (Regulations for the Royal Naval Reserve); BR61 (Royal Fleet Reserve and Recall Reserve (Naval and Marine) Regulations); BR63 (Regulations for the Royal Marines Reserve); and BR64 (Regulations for the Naval and Marines Reserve). Policy, Instructions and Guidance on Maritime Reserves (RNR and RMR) in BR3 are governed by the provisions of the Reserve Forces Act 1996 (RFA 96). Policy dictated by RFA 96 may not be altered without approval of the Admiralty Board of the Defence Council. BR60, BR61, BR63 and BR64 remain in force and have primacy over any similar coverage in BR3. Any doubts concerning current policy should be referred to CNPS.

b. **Mobilisation and Naval Augmentation.**

(1) *JSP 753.* JSP 753 gives the tri-Service Regulations on Mobilisation.

(2) *BR 3162.* This BR - Instructions for the Redeployment, Mobilisation and Demobilisation of Personnel in Crisis and War - is obsolescent but remains a source of Naval information in the event of full scale mass mobilisation.

c. **JPA Desk Manual.** This contains Business Process Guides, with procedures and references. It gives assistance in common JPA System activities through JPA Navigations.

d. **JSP 462 Chapters 5 and 7.** These chapters in the Financial Management Policy Manual describe, respectively, the system of delegation of control of costs in Defence; and the roles and responsibilities of budget holders and other MOD authorities.

e. **JSPs 751-761.** Tri-Service regulations, policies and procedures for use with JPA, including:

(1) *JSP 752.* Regulations for Allowances.

(2) *JSP 754.* Regulations for Pay and Charges, replaced the previous BR 1950.

(3) *JSP 755.* Positions and Assignments Instructions, which also includes a Lexicon of Personnel terms.

(4) *JSP 757.* Guidance for Appraisal Reporting.

(5) *JSP 759.* Developing and Naming Competencies.

(6) *JSP 760.* Regulations for Leave and Other Types of Absence.

(7) *JSP 761.* Honours and Awards in the Armed Forces.

f. **Army equivalent publications.** These are found on the Defence Intranet under Ministry of Defence | Army | Reference | Publications, notably AGAI (Army General and Administrative Instructions). |

g. **RAF equivalent publications.** These are found on the Defence Intranet under Ministry of Defence | Royal Air Force | Reference | Publications, notably AP3376 (Trade Structure of the RAF), AP3379 (RAF Manual of Training), AP 3390 (RAF Manpower Establishments and Manpower Scales), AP3391 (RAF Manual of Recruiting and Selection), AP3392 (RAF Manual of Personnel Administration), and AP3393 (RAF Officer Commissioning and Terms of Service). |

ORDERS AND DECORATIONS, MEDALS AND MEDAL RIBBONS

SECTION 1 - GENERAL

4401. Authority For Wear

a. The Queen's Regulations for the Royal Navy require all personnel to wear the proper ribbons for the medals which have been awarded to them and to comply with the instructions respecting the manner of wearing orders, decorations and medals and the order in which they are to be worn, as laid down in these uniform regulations.

b. It is forbidden to wear any orders, decorations or medals without authority. Foreign orders, decorations and medals may be worn only when the Sovereign's permission has been given. This may be sought by application to Naval Secretary's Division. It should be noted, however, that permission is rarely granted and only in the most exceptional circumstances.

4402. Terms of Issue

a. The insignia of orders, decorations and medals and the Ribands to which they are attached are issued gratuitously on presentation; 229mm of medal ribbon for sewing on to garments is also supplied in the case of campaign medals.

b. Brooches for medals and medal ribbons are available from service stores. Officers purchase these items as required. Ratings and RM warrant officers, NCOs and men and associated reservists awarded a medal are given a gratuitous issue of one medal brooch and one medal ribbon brooch of the appropriate size.

c. Replacement brooches and ribbons are purchased as required.

d. Miniatures, ribbons and brooches for miniature medals and ribbons are not provided but may be purchased privately at the individual's expense.

4403. Order of Precedence

Orders, decorations, medals and medal ribbons are to be worn arranged in the order of sequence (or seniority) shown in JSP 761 'Honours and Awards in the Armed Forces' The number of each type of insignia of orders, which may be worn, with various dresses is shown in the Table of Dresses (Chapter 3 Annex 3A (RN)), (Chapter 4 Annex 4A (RM)). When the insignia of more than one order are worn, the one occupying the first position should be the most senior, unless for any reason a junior or foreign order is more appropriate to the occasion.

4404. Conditions Governing Awards

Extracts from the various Statutes and Warrants regulating the awards of Orders, Decorations and Medals are to be found in JSP 761. A number of Statutes and Warrants are in course of amendment, to take account of revised eligibility criteria introduced in 1994. Until such time as these are published, it should be noted that all gallantry awards are available at all ranks and rates.

4405. Maritime Reserves

Details of Awards for Maritime Reserves are at [Chapter 108](#).

SECTION 2 - MANNER OF WEAR

4406. Insignia of Orders

- a. The insignia of the various orders are as follows:
 - (1) *First class.* Knights of the Garter, Thistle and St Patrick and Knights and Dames Grand Cross and Grand Commander. Broad riband (with badge attached). Collar when ordered.
 - (2) *Second class.* Knight and Dame Commander - star. Neck decoration (i.e. badge suspended on narrower riband, normally worn round neck).
 - (3) *Third class companion and commander.* Neck decoration (but the badges of companions of the distinguished service order and imperial service order are worn as medals only).
 - (4) *Fourth and Fifth classes.* Officers and members - badge worn as medal.

4407. Broad Riband

- a. The broad riband of Knights of the Garter and Thistle is worn over the left shoulder, the bow from which the badge is suspended resting on the right hip. The broad riband of other orders is worn over the right shoulder, with the badge on the left hip. The ribands of orders when the riband alone is worn, will be of the width of the ribands of the membership of the order. If there is no membership class the riband will be of the width of the riband of the companionship of the order.
- b. With ball dress the broad riband is worn under the mess jacket and over the waistcoat (or dress).
- c. With full dress the broad riband is required to pass under the shoulder strap, and in dresses which do not include shoulder straps the procedure is as follows:
 - (1) If an aiguillette is worn on the right shoulder the broad riband, other than that of the Garter and Thistle, is worn under the aiguillette shoulder strap. For the Garter or Thistle an additional aiguillette shoulder strap is worn on the left shoulder.
 - (2) If an aiguillette is not worn on the right shoulder the broad riband is worn under a blue cloth shoulder strap ornamented with gold and blue cord, of the pattern worn with 'Staff' type aiguillettes (Chapter 39, [Para 3913](#)).

4408. Collar

- a. The collar of an order is worn on certain special occasions as ordered, instead of the broad riband, with full dress only (Nos. 1 and 1W Dresses). The collar is worn under the shoulder straps or epaulettes near the outer edge, hanging at an equal distance back and front, with the badge suspended below the front centre.

b. Collar Days, in accordance with instructions of the Central Chancery of the Orders of Knighthood are Easter Sunday, Ascension Day, Whit Sunday, Trinity Sunday, 1 January, 6 January (Epiphany), 25 January (Conversion of St Paul), 2 February (Presentation of Christ in the Temple), 6 February (The Queen's Accession), 1 March (St David), 17 March (St Patrick), 25 March (Lady Day), 21 April (The Queen's Birthday), 23 April (St George), 29 May (Restoration of the Royal Family), 2 June (The Queen's Coronation), 10 June (The Duke of Edinburgh's Birthday), 24 June (St John Baptist), 4 August (Queen Elizabeth, The Queen Mother's Birthday), 6 August (Transfiguration), 29 September (St Michael and All Angels), 1 November (All Saint), 30 November (St Andrews), 25 December (Christmas Day), 26 December (St Stephen), 28 December (Innocent's Day), when Her Majesty opens or prorogues Parliament and by those taking part in the Ceremony of an Introduction of a Peer in the House of Lords. In dresses that do not include shoulder straps, the procedure is as follows:

(1) If an aiguillette is worn on the right shoulder an additional aiguillette shoulder strap is worn on the left shoulder.

(2) If an aiguillette is not worn on the right shoulder a pair of blue cloth shoulder straps as described in Para 4407 c [sub para \(2\)](#) is worn.

c. The holder of more than one First Class Order, when wearing the collar of one order also wears the broad riband of the next order in sequence. Only one collar may be worn.

4409. Stars

a. Stars of orders are worn on the left side.

b. When only one star is worn it should be in the centre line of the breast pocket with the upper point not less than 25mm below the lip of the pocket, or in the corresponding position on garments without a breast pocket.

c. When two stars are worn the second star is placed directly below the first, with its upper point not less than 25mm below the lower point of the star above.

d. When three stars are worn the second and third stars are normally worn below the first, in horizontal line, with the second towards the wearer's right, but if in this position the stars interfere with the broad riband, the first and second stars may be worn in line, senior star to the right, with the third star beneath.

e. When four stars are worn the first is worn above, the second and third in line below, senior star to the right, and the fourth below again, in vertical line with the first.

f. When either three or four stars are worn on the undress coat it is necessary to position the first so that the second is clear of the top left-hand button of the coat, for which purpose it is permissible for the top star to be worn with its upper point up to 13mm above the lip of the breast pocket.

g. With women officers' dresses which include a cape or bolero, stars are worn thereon - not on the dress.

4410. Neck Decorations

- a. With the ceremonial day coat, and with RM tunics and frockcoat with stand collar, the first or only badge is worn with the riband inside the coat or tunic collar, emerging between the hook and eye and the bottom of the collar. If a second badge is worn it is suspended from a small eye stitched inside the coat or tunic, on 76mm of ribbon emerging between the first and second button on the right-hand side.
- b. With a turned-down collar and day tie the first or only riband is worn inside the collar and over the tie, with the badge immediately below the knot of the tie. The second riband, if any, is worn on naval-type uniforms immediately below the first, the lower part of the badge resting on the cross of the lapel of the coat. Chaplains may wear neck decorations in a corresponding manner with the clerical collar. On military type uniforms the second riband emerges 19mm below the top button of the jacket, being suspended from a small eye stitched inside.
- c. With winged collar and bow tie (only to be worn in the evening) one neck decoration only may be worn and the riband is worn the collar but under the tie, the badge hanging as close as possible below the bow.
- d. With the white tunic the first or only badge is worn with the riband inside the tunic collar and the badge emerging to hang 19mm below the collar, and other badges, if any, are worn emerging between the buttons of the tunic, each 25mm below the badge above.
- e. Until replaced by the new mess dress, women officers' dresses which include a cape or bolero the riband is made up into a bow and worn with the badge attached below it on the left side of the cape or bolero, immediately below the medals, which should be moved up as necessary to provide room. When two badges are worn the senior badge is placed above and overlapping the junior. If a star is worn additionally (e.g. by a Dame Commander of an Order) it is positioned below the other decorations.

4411. Medals (Including Badges of The 4th And 5th Classes of Orders and Decorations Worn as Medals)

- a. Medals, suspended from their ribands, are to be worn on the left breast in one horizontal line, with the highest in seniority at the end furthest from the shoulder. Medals awarded by a society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left and on the same horizontal line. All medals are worn observe outwards, i.e. with the head of the Sovereign showing.
- b. The ribands are to be suspended from a bar, which they must completely cover, without gaps. The bar should be disposed centrally in the space available, without projecting outward beyond the shoulder or inward beyond the opening of the coat, or beyond the centre of a tunic or coat without opening. When the medals are too many to be suspended from the bar so as to be fully seen, they are to overlap, the most senior showing in full. In the case of ratings and ranks below officer, medals should, however, overlap whenever three or more are worn, the length of the bar to be 95mm for three medals up to a maximum of 171mm for larger numbers.

- c. The bar should be of the brooch type, with the pin inserted through beackets sewn to the garment. It may, if necessary, come over the lapel of the garment, except when a rifle is carried, when the bar should be under the lapel, as a protection for the medals.
- d. The medal bar is worn immediately above the top row of medal ribbons sewn to the garment, or in the same position, and using the same beackets, as the top row of detachable ribbons. See Para 4413 [sub para e](#).
- e. The length of medal riband for medals of normal size is to be 44mm. When two or more medals are worn, the length of ribands of medals of other than normal size should be adjusted so that the lowest points of the medals are all in line. A 44mm medal riband will accommodate four clasps: if more than four are worn the length of riband should be adjusted as necessary, leaving 13mm clear riband above the top clasp.
- f. When medals are worn with garments on which medal ribbons are sewn, care must be taken that the ribbons are completely covered. If necessary a piece of material can be attached to the medal bar for this purpose.
- g. Where more than one medal has been awarded, the ribands are to be suspended from a bar, which should be of the brooch type, with the pin inserted through beackets sewn to the garment. Medal ribands should be placed side by side up to and including a quantity of 6 medals unless the width of these 6 medals extends past the left shoulder seam of the uniform. In this instance, the 6 medals may be overlapped.
- h. **Court Mounting.** Medals may also be worn court mounted. In this method the ribands are mounted on a frame of which the lower edge is in line with the centre of the medals. Commencing from the lower edge of the frame each riband runs over the upper edge and down to the ring of the medal. The medals are stitched down to the ribands. Court mounted medals may also be overlapped however, personnel with 7 or more court mounted medals should always wear them overlapped. Individuals with 6 or more medals may have them court mounted at crown expense. Personnel with 5 or less medals who wish to have them court mounted may do so at their own personal expense.
- i. Badges of the 1st, 2nd and 3rd classes of orders are not worn as medals (other than miniatures - see [Para 4412](#)).

4412. Miniature Medals

- a. These are half the size of the insignia, which they represent and on ribands 29mm long, are worn in the same manner as full-sized medals.
- b. With some exceptions, as detailed in JSP 761, miniatures of all badges of orders and decorations are worn with miniature medals.
- c. Except as in [sub para d](#), miniature medals are worn with number 2A/2B Mess Dress/Undress on the lapel of the mess jacket. They may extend over the lapel towards the shoulder but not beyond the lapel on the inner side. The position on RM officers' mess jackets is: Colonels and above, 102mm below the neck point of the shoulder seam; other officers 19mm below the Globe and laurel badge. Until replaced by the new mess dress the officers' capes should be level with the top of the rank badge.

- d. Drum Majors in complement billets wear miniature medals on the Drum Major's sash with ceremonial blue dress.

4413. Medal Ribbons

- a. When ribbons are worn apart from the orders, decorations and medals themselves a ribbon is worn for each medal, etc except the Garter, Thistle and St Patrick. The ribbon is the same for all classes of an order. The ribbon is to be worn from the date of the official notification of the award.
- b. Length of ribbons to be worn: RN, and personnel - 13mm, but with more than five rows ribbons 10mm long may be worn. Royal Marines - 10mm all cases.
- c. The width of the ribbon is to be that of the riband attached to the order, decoration or medal itself. For orders, the width is that of the riband of the lowest class. The normal width in each case is 32mm.
- d. The ribbons are to be sewn on the garments, except on whites, tropical khaki and stone-coloured garments for which a detachable, brooch-type bar similar to the medal bar is to be used, with the pin inserted through beackets sewn in the correct positions. The ribbons are to be arranged in one or more rows as required, without either gaps or overlapping, in order of seniority as for medals, starting at the inside end of the top or only row. The rows should be 6mm apart for officers and Royal Marines and 3mm for others, but officers and Royal Marines may reduce the distance apart if necessary to accommodate a large number. The ribbons of orders, decorations and medals for which only private permission to wear has been given are not to be sewn on the garments.
- e. The ribbons are to be worn on the breast, as for medals, positioned as follows:
 - (1) **RN Officers.** Top or only row 25mm below point of shoulder. When additional rows are sewn to the garment the number of ribbons in each row should be such that all visible, while preserving as symmetrical an arrangement as possible. The detachable bar may also have more than one row if necessary, in which case no row should be longer than the one above.
 - (2) **Royal Marines.** First row centrally over the breast pocket, 6mm above the top seam of the pocket. Additional rows centrally over the first, with no row shorter than the one above. Not more than five ribbons to a row, and no row to extend nearer than 19mm from the shoulder seam, but each row to be completed to maximum width before another is started.
 - (3) **Ratings.** Top or only row: on jackets: level with the point of lapel; on blue jumpers: 114mm below point of shoulder; on white uniform: 51mm below point of shoulder. In each case, when there is more than one row, no row is to be shorter than the one above, and the whole display should be as symmetrical as possible about the vertical.
- f. Ribbons must not project outward beyond the point of the shoulder, or inward beyond the centre of the garment or under the lapel, and they must all be visible.

4414. Miniature Medal Ribbons

Ribbons 10mm long and 19mm wide, are worn only with mess dresses. They are not sewn to garments but are worn on detachable, brooch-type bars, in the same positions as miniature medals. See Para 4412 [sub para c](#). Miniature medal ribbons are not worn by Royal Marine and Naval Officers except, in the latter case, for safety reasons when acting as Duty Officer.

4415. Rosettes

Rosettes are worn on certain medal ribbons and miniature medal ribbons to denote clasps to the medals or some special distinction.

4416. Wearing of Foreign Medals

a. The rules governing the wearing of foreign medals are contained in Foreign and Commonwealth (FCO) regulations. The MOD is required to seek and follow FCO guidance if foreign medals are offered to Service or civilian personnel. The FCO advises all foreign embassies of the British rule on a regular basis.

b. HM The Queen approves the receiving and wearing of all foreign medals, orders and decorations. In all cases, requests to receive or wear should be made through the Chain of Command to Naval Secretary for onward transmission, as necessary, to Defence Services Secretary. It will then be for DS Sec to staff the request formally to both the FCO and the Ceremonial Branch of the Cabinet Office, whose agreement is required before Her Majesty's permission is sought. There will inevitably be some delay during this process and it should be noted that permission to wear is given only rarely.

c. Individual foreign awards for gallantry or meritorious service follow the same staffing route. Both may be subject to scrutiny within the FCO which must take account of the employment of Service personnel as State Servants, although it is usual that life saving actions may be recognised by the appropriate Head of State.

d. No campaign medal for wearing, UK or foreign, may be claimed through concurrent service which gains another campaign medal.

e. Occasions may arise where foreign medals are presented to Service personnel abroad without prior warning. In such cases, individuals must exercise judgement as to whether refusal might give offence and the usual course of action is to accept the award. Thereafter, the Chain of Command is to be informed together with any request to wear and justification for it. Usually, the recipient will be allowed to keep the medal as a memento, not to be worn.

4417. Wearing of Numerals or Bars Denoting Multiple Tours with UN, NATO or WEU

Rules for the wearing of numerals are derived from the instructions issued by the Secretaries of the UN, NATO or WEU, as amended by any bilateral agreement between the UK and the relevant organisation. The UN makes official provision for numerals, NATO and the WEU do not. In addition, some nations reward multiple tours by the wearing of a medal for each tour. However, the practice or customs of other nations in receipt of the same medals is NOT to be adopted by UK Service personnel unless explicitly authorised in DINs.

4418. Wearing of Unofficial Medals

- a. Only those Honours, Decorations, Medals and Awards that have been formally approved by the Sovereign may be worn. This applies to the wearing in uniform and civilian clothing, and by retired members of the Armed Services. Commanding Officers are responsible for ensuring that individuals do not wear medals that are not approved or to which they are not entitled, as well as being responsible for ensuring individuals are in possession of medals to which they are entitled.
- b. A number of private companies market unofficial commemorative medals and although there is no reason why individuals may not purchase these items they are still formally classified as unofficial and have not been given approval by the Sovereign, and thus may not be worn. The fact that an advertisement for such medals appears in "in house" Service magazines is not to be taken as an indication that a medal has been formally approved and may be worn.
- c. Any queries on the status of any medal, or of an individual's entitlement to it, should, in the first instance, be made to single-Service medal offices.

SECTION 3 - WEARING OF ORDERS, DECORATIONS AND MEDALS WITH CIVILIAN DRESS

e. With 'Dinner Jacket, Decorations' it is permissible to wear either a stiff evening collar or a soft collar.

4421. Day Dress

The insignia of orders, decorations and medals (full size) may be worn with formal day dress on appropriate official occasions and at public functions. When decorations are worn with formal day dress on such occasions as a British Legion rally or ex-Servicemen's parade, it is customary to wear medals only, stars of orders and neck decorations not being worn.

4422. General

a. Nothing in the above shall affect in any way the practice of the Knights of the Orders of the Garter and Thistle, and Members of the Order of Merit, the Order of the Crown of India and the Order of the Companions of Honour with regard to wearing their insignia in accordance with previous custom.

b. Ladies in civilian dress may wear the orders, decorations and medals to which they are entitled under the same conditions as above, so far as appropriate.

c. The manner of wearing the insignia of orders, decorations and medals is the same as with corresponding items of uniform.

- b. RNR Ratings and RMR Other Ranks with former service in the RN and RM may wear Good Conduct Badges due for such service.
- c. All clothing and equipment issued to ratings and other ranks remain the property of the Crown. Personnel are responsible for ensuring that all such items are used for service purposes only, and for producing them in good condition when called upon to do so. On being first issued with the uniform and equipment, ratings/other ranks are to sign an undertaking to the effect that they will return it to their parent unit when they are discharged from the RNR/RMR.
- d. The advice of RNR Unit Commanding Officers and, ultimately, CMR is to be sought in all cases of doubt or where it is deemed that permission to wear uniform is required.

4502. Provision of Uniform – MR Officers

- a. The cost of uniform on appointment or promotion to officer rank will be borne by the Ministry of Defence. The authorised scales of uniform for MR officers are shown in the Annexes to [Chapter 39](#) and [Chapter 40](#).
- b. **Eligibility.** No officer may qualify for more than one full outfit cash grant and set of free issues on account of membership of two sections of the Reserve, e.g. an officer holding a commission in the RNR who also has an appointment as an officer of the Sea Cadet Corps. However, they may be reimbursed actual costs to buy a different uniform and shoulder boards.
- c. **Transfer from RN/RM and Re-entry into the MR.** The regulations for officers who transfer from the RN/RM or re-enter the MR are contained in JSP 752 Chapter 8.
- d. **Payments of Cash Grants.** All cash grants will be paid through JPA without application, and no payments may be made by any other authority without specific authorisation.
- e. **Kit Record Book (S2910).** All issues will be entered in the officer's Kit Record Book, any deficiencies being entered on the appropriate page. When the items become available they will be issued; the entry on the deficiency page is the authority for issue.
- f. **Call out for permanent service.** Officers of the MR called out for permanent service are required to take with them the complete scale of uniform and kit as issued, which will be specified in their Call Out Order.
- g. **Additional Uniform.** MR Officers are permitted to purchase (from Ministry of Defence stocks), articles included in the authorised list of officers' clothing for wear as uniform. All purchases are to be strictly limited to immediate personal requirements.

4503. MR Officers' Uniform Grant Refund on Discharge

a. The following applies to Reserve officers who resign voluntarily or whose appointments are terminated compulsorily.

(1) *Voluntary Outflow (VO)*. Applies to officers leaving the Service, and to those transferring to another branch/Service. Officers who voluntarily retire, including Midshipmen/2nd Lieutenants, will be required, at the discretion of MOD, to refund their initial uniform cash grants and the value of their initial outfit free issues as follows:

(a) Grants paid and issues made less than one year prior to date of VO (see [Note](#)) - in full.

(b) Grants paid and issues made over one year but less than 2 years from date of VO (see [Note](#)) - two-thirds.

(c) Grants paid and issues made over 2 years but less than 3 years from date of VO (see [Note](#)) - one-third.

Note. Measured from "last day on Naval pay". Each grant and free issue will be considered separately for this purpose.

(2) The amount of refund will be re-assessed in the light of any Kit Deficiency certificates handed in and any unused items of gratuitous issue returned in an unmarked condition. The value of these items will be reduced on the same basis as Para 4503 a [sub para \(1\)](#) above, each free issue being considered separately. Returned items of gratuitous issue cannot be offset against the liability to refund cash grants.

b. Officers whose appointments are terminated compulsorily before they have completed 2 years service (from date of entry) are required to return the principal items of uniform and equipments, as directed by the MOD, charges being raised against them or, if under 18, their parent or guardian for any that they fail to return.

4504. MR Officers' Promotion Grants

Promotion grants are payable under the same conditions as for RN/RM officers, in accordance with JSP 752 Chapter 8 for the Rank to which promoted.

4505. Aiguillettes – MR Officers

MR officers appointed as ADCs, Honorary Physicians, or Honorary Surgeons to HM The Queen or as Equerries to members of the Royal Family should apply for a loan issue of aigillettes and aigillette shoulder straps when required and in accordance with [Para 3913](#) and [Para 4021](#). Articles issued on loan are to be returned as soon as possible after the ceremony or function for which they are supplied.

4506. Uniform Upkeep Allowance (UUA)

- a. Except as provided in [Para 4502](#), [Para 4504](#) and [Para 4505](#), no cash grants or free issues of articles of uniform from Service stocks will be made at any stage in an officer's career, except when authorised by DIN or CMR. JSP 752 Chapter 8 provides more detailed guidance upon issue and maintenance of uniform. Maintenance of uniform will be the officer's responsibility and UUA will be paid for this purpose provided the officer is in date for training and eligible for Bounty. The amount payable varies according to training list and is restricted to normal peacetime service in the Reserve, ceasing when officers are mobilised or serving on Full Time Reserve Service (FTRS) commitments. The allowance will be reduced proportionately when less than a full year's service has been rendered in the Reserve in any one year.
- b. The allowance is payable annually in respect of each training year, ending 31 March, when Bounty has been earned. Payment will be made automatically through JPA. When an officer is, exceptionally, awarded a Bounty Waiver it does not automatically entitle him/her to the award of UUA.
- c. **Membership of Two Sections of the Reserve.** A member of two sections of the Reserve, e.g. an RNR officer who also holds an appointment as an officer of the Sea Cadet Corps, may receive half the lower rate of UUA in addition to the full rate of the higher allowance authorised for the other appointment.

4507. Provision of Uniform

- a. Ratings/Other Ranks are issued with items of uniform free of charge on being enrolled into the MR in accordance with the appropriate scales prescribed in [Chapter 39](#) and [Chapter 40](#) respectively. Subsequent replacements will be issued on a "one-for-one" basis in accordance with current regulations, subject to an assessment of "fair wear and tear". Once issued, ratings/other ranks are responsible for maintaining their kit in a clean condition and in a good state of repair.
- b. The initial issue is to be restricted to those items prescribed for the provisional New Entry Scheme in accordance with BR3 [Chapter 39](#) and [Chapter 40](#). Remaining items will be issued as required for their stage of training.
- c. **RMR**
 - (1) RMR Ranks who have qualified for the award of the Green Beret will be issued it by CTCRM on completion of their Commando training.
 - (2) On completion of Phase 2 training, men are to wear "Royal Marines Commando" shoulder flashes.
 - (3) All members of 2 Raiding Troop are to be issued with a Coxswain's standard scale of equipment.
