PREFACE

1. This Naval Book of Reference (BR) exists in electronic form only. The complete hardcopy publication is very large. Any printed extracts may become invalid after they are printed.

2. How to use this BR

Links to associated material within the BR are widely used throughout, shown highlighted. Otherwise, references are given. Movement within the BR can be conducted through use of the links. Reference can also be made to a number of useful extracts by clicking on the relevant link in the Bookmark to the left of the text. Once finished with referring to the material via the Link or Bookmark, clicking on "Previous View" in the Navigation Toolbar will return the reader to the text previously being studied. The BR can be searched in 2 ways: by using the Search (binoculars) button in the File Toolbar to search within an open Chapter; and by looking in the Index which lists Paragraph titles throughout BR 3(1) in alphabetical order - clicking on the selected item will take the reader to the paragraph in question. The "Search Book" button on the Home Page is disabled on copies of all BRs accessed via the Defence Intranet.

3. Aim

The aim of this publication is threefold: to define PPO Regulations and policy; to lay down doctrine on processes; and to provide guidance to all involved in this complex subject.

4. Scope

BR 3 covers the whole of the Naval Service (which is referred to as the Royal Navy in its logo and in external public relations material), including Officers, Ratings and RM Other Ranks (RMOR). BR 3 Volume 1 (BR 3(1)) covers the Royal Navy (RN), Royal Marines (RM), Queen Alexandra's Royal Naval Nursing Service (QARNNS, which is a part of the RN), Family Service (FS, which is a Branch in the RN) and, for elements of recruiting and training only, Royal Fleet Auxiliary (RFA). BR 3 Volume 2 (BR 3(2)) cover the Royal Naval Reserve (RNR), Royal Fleet Reserve (RFR), Royal Marines Reserve (RMR), Naval Careers Service (CS) and University Royal Naval Units (URNUs).

5. Implementation

Production of BR 3(1) was implemented through progressive stages of completeness under a DNPS project conceived and delivered by Commander P J Hughes, LVO, Royal Navy, which completed in April 2011. Thereafter change is conducted through normal upkeep procedures.

6. Structure of BR 3.

BR 3 is structured in two Volumes, Volume 1 covering the Regular Service and Volume 2 - which is a separate, stand-alone publication - covering the Reserves (see para 4 above for scope of these terms). BR 3 superseded the following; BRs 60, 60A, 61, 63A and 64. Following these Preliminary Pages, which incorporate a [List of Abbreviations](#), a [Glossary of Terms](#), BR 3(1) includes:

a. *Part 1 (Personnel Management Organisation and Strategy)* summarises the organisation of Naval Personnel Management, outlines how the overall process works, and shows the linkages between the individual components of the process. Details of each component are provided in the subsequent Parts.

b. *Part 2 (Establishment Administration)* explains how the total demand for trained Naval personnel today and in the future is defined in Establishment Lists. It lays down policy and practice and gives rules, guidance and limitations on the formulation and change of Establishments.

- c. *Part 3 (Personnel Planning and Costing)* outlines how Naval personnel planning is conducted, drawing on the personnel Planning Liability that is derived from summations of Naval positions in Establishment Lists and subsequent adjustments. It also gives a brief insight to personnel costing.
- d. *Part 4 (Recruiting)* explains recruiting policy and processes.
- e. *Part 5 (Life Management)* covers policies on discipline and the administration, welfare and well-being of individual Service personnel, including the Divisional and Regimental System.
- f. *Part 6 (Uniform Regulations)* provides the necessary direction for the wearing of RN, RM, Maritime Reserves, Royal Fleet Auxiliary, Naval Retail Staff and Royal Corps of Naval Constructors Uniform Dress.
- g. *Part 7 (Career Structures)* shows how individuals' careers may be shaped and managed over the full time span of commitment to the Service, including Commissions, Careers, Engagements, associated Terms and Conditions of Service, the assignment process (including for augmentation and in response to crisis), Career & Branch Management and Security Vetting policy.
- h. *Part 8 (Promotions)* covers Officer and Ratings'/RMOR's Promotions policy and processes.
- i. *Part 9 (Individual Training, Education and Resettlement Policy)* outlines the policies under which Naval Individual Training, Education, Lifelong Learning and Resettlement is conducted. It does not cover the detail of the training delivery process.

7. Terminology

Considerable effort has been put into standardising terminology used in the Naval Service. Terms used are in accordance with those included in the tri-Service Manpower Lexicon in JSP 755. Some terms, primarily where not covered in JSP 755, are given in the Glossary. Terminology is always evolving. Examples of changes already widely (but not exhaustively) incorporated include: Liability in place of Requirement; Unit Establishment (List) in place of (Scheme of) Complement, Position in place of Billet or Post; and Assignment in place of Appointing and Drafting. Some personnel management terminology is quite specialised so, to improve readability, the use of 'Plain English' has been maximised. Common abbreviations are used widely (as defined in the [List of Abbreviations](#)) and personnel groups have usually been identified explicitly; less common terms have often been given in full. Unless stated otherwise, the following assumptions should be recognised when specific terms are used:

- a. "Naval" refers to the Naval Service as a whole, but not all policy or guidance applies to the Maritime Reserves.
- b. "Ratings" also includes RMOR, except where stated;
- c. "Ships" also include Submarines and Minor War Vessels.
- d. "Units" generally refers to deployable organisations that have their own Establishment List.
- e. RN Ranks (which includes Rates) encompass RM and QARNNS equivalents. (An equivalent rank table is placed later in these Preliminary Pages).

f. In rare cases where a gender-neutral expression is not readily available, male terminology also includes female, except where explicit within the text (such as when referring to Royal Marines GS personnel).

8. Associated Information

Duplication is minimised, so links or references are provided to associated subjects and areas of activity. Furthermore, in view of the relatively frequent changes to policy and processes, it is essential that recent DINs and RNTMs are also scrutinised. The following, not connected by links, are key sources of related information:

a. **Other Regulations.** The following publications continue to provide the authoritative source of information, but some or all may in due course be superseded by incorporation into BR 3(1):

(1) *BR 8374. Officers' Training Regulations.* Chapters 1 and 2 have been subsumed into BR 3(1).

(2) *Maritime Reserves.* Policy, Instructions and Guidance on Maritime Reserves (RNR and RMR) in BR 3(2) are governed by the provisions of the Reserve Forces Act 1996 (RFA 96). Policy dictated by RFA 96 may not be altered without approval of the Admiralty Board of the Defence Council. Any doubts concerning current policy should be referred to CNPS.

b. **Mobilisation and Naval Augmentation.**

(1) *JSP 753.* JSP 753 gives the tri-Service Regulations on Mobilisation.

(2) *BR 3162.* This BR - Instructions for the Redeployment, Mobilisation and Demobilisation of Personnel in Crisis and War - is obsolescent but remains a source of Naval information in the event of full scale mass mobilisation.

c. **JPA Desk Manual.** This contains Business Process Guides, with procedures and references. It gives assistance in common JPA System activities through JPA Navigations.

d. **JSP 462 Chapters 5 and 7.** These chapters in the Financial Management Policy Manual describe, respectively, the system of delegation of control of costs in Defence; and the roles and responsibilities of budget holders and other MOD authorities.

e. **JSPs 751-761.** Tri-Service regulations, policies and procedures for use with JPA, including:

(1) *JSP 752.* Regulations for Allowances.

(2) *JSP 754.* Regulations for Pay and Charges, replaced the previous BR 1950.

(3) *JSP 755.* Positions and Assignments Instructions, which also includes a Lexicon of Personnel terms.

(4) *JSP 757.* Guidance for Appraisal Reporting.

(5) *JSP 759.* Developing and Naming Competencies.

(6) *JSP 760.* Regulations for Leave and Other Types of Absence.

(7) *JSP 761.* Honours and Awards in the Armed Forces.

f. **Army Equivalent Publications.** These are found on the Defence Intranet under Ministry of Defence | Army | Reference | Publications, notably AGAI (Army General and Administrative Instructions).

g. **RAF Equivalent Publications.** These are found on the Defence Intranet under Ministry of Defence | Royal Air Force | Reference | Publications, notably AP3376 (Trade Structure of the RAF), AP3379 (RAF Manual of Training), AP 3390 (RAF Manpower Establishments and Manpower Scales), AP3391 (RAF Manual of Recruiting and Selection), AP3392 (RAF Manual of Personnel Administration), and AP3393 (RAF Officer Commissioning and Terms of Service).
