## Equipment of Buglers, R.M.

3877  
1904.

The equipment of Buglers, Royal Marines, will no longer include swords, scabbards, and frogs.

2. The swords, scabbards, and frogs in possession of Buglers serving on shore at Divisions and Depôt are to be withdrawn forthwith, and these articles are to be similarly withdrawn from Buglers now serving afloat on their disembarkation.

3. Should either of these articles of equipment now in possession of Buglers serving in H.M. Ships become unserviceable before disembarkation, replacement will not be made.
