13 REORGANISATION OF THE CORPS' TRADES (continued)

Formation of Trades Section.

21. The terms "Group 'A'" and "Group 'B'" Trades are to be abolished, and all trades are to be formed into one Trades Section within the Technical Branch. All Tradesmen will then be promoted from a common roll. The promotion structure in the new Trades Section will be a slight improvement on that in both the present Group 'A' or 'B' Trades, and the career prospects of tradesmen will, in general, be enhanced. The new Trades Section will comprise:

- a. Artificer Vehicle (AV)
- b. Vehicle Mechanic (VM)
- c. Armourer (A)
- d. Radio Technician Light (RTL)
- e. Metalsmith (Me)
- f. Illustrator (I)
- g. Carpenter (Ca)
- h. Coachtrimmer (Co)
- j. Painter and Decorater (P&D)

} Wasting out

22. Printers will remain a separate Section within the Technical Branch.

23. This re-organisation of the Trades will come into effect on 1st April 1968. There are no changes in rates of pay.

24. RMIs and complements will be amended.
