

### 30 MEDAL RIBBONS—WEARING ON TUNICS

Regulations for wearing medal ribbons on tunics by officers, laid down in paragraph 2 on pages 107 and 108 of the current Appendix to the Navy List, will in future apply to other ranks.

2 The effects of this Order are that, for both officers and other ranks:—

- (a) The distance above the pocket seam of the first row of ribbons and the distance between additional rows will be one quarter of an inch, and
- (b) Reduction of that distance is permissible if warranted by the number of rows and the space available.

3 To avoid expense to individuals, alterations resulting from this change in regulations are only to be carried out when medal ribbons require renewal or when a new tunic is obtained.

4 Dress Regulations will be amended accordingly.
