

The gilt metal laurel wreath surrounding a silver globe will be worn in the front so that the tips of the wreath are level with the top of the scarlet band.

2. The Lion and Crown will be worn above the Globe and Laurel so that the base of the crown is  $\frac{1}{2}$  inch above the top of the scarlet band.

3. The position of the Lion and Crown in the old pattern cap will remain as stated in the Appendix to the Navy List.

4. The appendix to the Navy List will be amended to include the position of the badge in the new pattern cap in due course.
