I had an amazing Ombré Brow experience with Jessica! Prior to starting the microblading, she allowed me to view my mapped out brows to ensure I was 100% satisfied with the shape and size, and consulted with me on the color selection to match perfectly with my features. I'm elated by the finished product and I can't wait until they are fully healed! Thanks again, Jessica!

I moved here from New York last year and so glad I found Jessica! I had been loyal to the same lash tech in NY for over five years, and after trying several people here, Jessica was the first who really impressed me. I've been seeing her for volume lashes for several months now, and she's consistently amazing. My eyes are super sensitive and I'm pretty picky, but she's incredibly gentle, fast, and my lashes always hold up beautifully. She's also kind and clearly puts a lot of care into her work. Her talent is worth every penny, and I'm so excited for her beautiful new space on Falls of Neuse. Book with her— you won't be disappointed!
