It's George Shalhoub with Governor Patrick Morrissey. I hope you have been doing well.

First, I want to express our appreciation for your past support of Governor Morrissey. Thanks to many dedicated folks like you, the Governor has already secured significant victories for West Virginia.

Your support has been instrumental in our efforts to eliminate woke DEI policies in our state, to protect women's sports, and to defend our vital energy resources with initiatives such as our new Microgrids law, a groundbreaking deregulatory initiative to better utilize our vast natural resources.

We've also championed classroom excellence by getting cell phones out of schools and proudly displaying "In God We Trust," cracked down hard on drug dealers with Lauren's Law, and secured our elections with common-sense Voter ID. These are just a few examples of how Governor Morrissey is fighting and winning to make West Virginia the national example of effective conservative policy.

As we look to kick off 2025 with renewed momentum, Team Morrissey is excited to announce a series of exclusive fundraising retreats. We have three fun events planned, and I wanted to ensure you were among the first to know so you could mark these dates on your calendar:

- Napa Valley, CA: September 23-25, 2025
- Location TBD, WV: October 20-22, 2025

- Dallas, TX: December 3-5, 2025

These multi-day retreats promise an unforgettable experience, featuring delicious dining, engaging activities, and the opportunity to connect with fellow supporters in truly remarkable settings. Most importantly, they offer a unique chance to spend quality time with Governor Morrissey and play a vital role in strengthening our efforts for the important challenges ahead.

We will be sharing more detailed information about each event in the coming days. In the meantime, please save these dates. If you are interested in learning more or would like to express your preliminary interest, please reply to this email, and I will follow up with details as soon as I have more information.

Sincerely,

George Shalhoub
