JOINT MOTION TO MODIFY PROCEDURAL SCHEDULE

NextEra Energy Transmission MidAtlantic, Inc. ("NEET MA") and the Staff of the Public Service Commission of West Virginia ("Staff," and collectively, "Movants") request that the Commission reschedule the evidentiary hearing date and extend the other deadlines in the procedural schedule by eleven weeks, as shown below.

Event	Original Date	Proposed Date
Discovery Deadline for Preparation of Staff/Intervenor Direct Testimony (Limited to Reroutes and FERC Order Impacts)	August 14, 2026	October 30, 2026
Intervention Deadline for New Affected Landowners	N/A	September 30, 2026
Staff/Intervenor Direct Testimony	September 8, 2026	November 24, 2026
Discovery Deadline for preparation of Rebuttal Testimony in response to Staff/Intervenor Direct Testimony	September 15, 2026	December 1, 2026
Rebuttal Testimony	October 7, 2026	December 23, 2026
Discovery Deadline in response to Rebuttal Testimony	October 19, 2026	January 4, 2027
Evidentiary Hearing	October 26- November 2, 2026	January 11-18, 2027
Initial Briefs/Proposed Orders	November 23, 2026	February 8, 2027
Reply Briefs	December 4, 2026	February 19, 2027
Decision Due Date	March 6, 2027	May 22, 2027

As part of the modified schedule, Movants recommend two new deadlines (incorporated as the first two entries in the schedule above):

- i. an extension of the deadline for discovery for the preparation of Staff and intervenor direct testimony, but only as to (i) the five Route Revisions identified in *NEET MA's Route Revision Supplement* filed on July 31, 2026 and (ii) the potential impact on the MARL Project of the Federal Energy Regulatory Commission's order in PJM Interconnection, L.L.C., 195 FERC ¶ 61,211 (2026);¹ and
- ii. an extension of the intervention deadline to September 30, 2026 for the three New Affected Landowners identified in the *Route Revision Supplement*.

NEET MA has separately filed a Conditional Motion to Toll in which it commits to voluntarily toll the Commission's decision due date under W. Va. Code § 24-2-11(f) by 77 days (until May 22, 2027) if the Commission grants this Joint Motion to Extend.

Movants also request that the Commission extend the deadline under Procedural Rule 9.2 for NEET MA's response to Staff's *Motion to Require NEET MA to Request a Tolling or in the Alternative Dismiss* until the tenth day following the Commission's entry of an order ruling on this Joint Motion.

¹ See Staff's *Motion to Require NEET MA to Request a Tolling or in the Alternative Dismiss* dated August 19, 2026 at Sections II and III. This extended deadline would fall 25 days before the associated testimony deadline, which was the interval in the original procedural schedule.

The current deadline for Staff and intervenor direct testimony is September 8, 2026. In view of this upcoming deadline, Movants request that the Commission enter an order granting the relief requested in this Joint Motion as soon as possible.

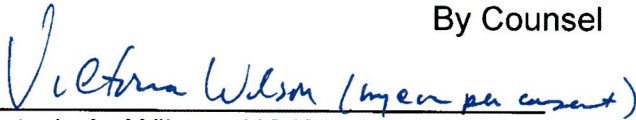

Filed on August 31, 2026.
